

We are located in Yavapai County District 3 and we will be electing a new County Supervisor for the first time in almost 20 Years!

Yavapai County District 3 includes the communities of Jerome, Clarkdale, Sedona, Perkinsville, Verde Village, Cottonwood, Verde Santa Fe & Village of Oak Creek.

Let's Step into the Future with a Real Leader...

Elect Full-Time Mayor Diane Joens as our next County Supervisor

Diane Joens was raised in Arizona and spent the last 30 years in Cottonwood being dedicated to community issues, civic organizations, government, and local causes.

She has been Cottonwood's full-time Mayor for nine years and will be our full-time County Supervisor.

She has spearheaded Cottonwood's infrastructure improvements for economic development and a higher quality of life. This includes the recreation center, a new 911 call center, numerous road improvements, enhancements to their Fire and Medical Department and revitalization of "Old Town," all paid with the City's 3% sales tax and without any city property tax.

MAYOR DIANE JOENS IS THE RIGHT PERSON FOR THE JOB!

- She's been the Mayor of Cottonwood for nine years – she knows how to lead and serve!
- She worked in the Supervisor's office for four years as Chip's assistant - she knows the job!
- She's been Mayor while Cottonwood gave new life to the amazing "Old Town Cottonwood."
- She's been Mayor while Cottonwood built its very popular recreation center for all to enjoy.
- She is committed to regional solutions for Verde Valley's traffic and transportation issues, especially traffic backups and limited roads.
- She is focused on protecting our water sources, especially the Verde River & Oak Creek.
- She understands the need for an alternate roadway between Sedona and the Village of Oak Creek and the seriousness of the problem of traffic backups on Hwy 179 into Sedona.
- She is committed to protect and grow the Verde Valley's wine and agricultural industries.
- She wants to make sure Yavapai College provides fair and equitable educational opportunities in the Verde Valley, reflecting our tax investments.
- She is the only LIFELONG Republican in the Yavapai County District 3 Supervisor election.
